

## PERFORMANCE DECLARATION No. 0.6-2.0 EN 12620

1. Product type identification code: **Dried and screened sand 0.6/2.0**
2. Identification mark: **0.6/2.0**
3. Application: **to be used as fine aggregate in concrete mixtures, EN12620**
4. Manufacturer: OÜ Kuiv Liiv  
Vana-Narva mnt.3 Kiiu alevik  
74604 Harjumaa  
Reg. No. 11306794  
Phone: +372 607 3484; e-mail: [info@kuivliiv.ee](mailto:info@kuivliiv.ee)  
Production site: Vana-Narva mnt 11A, Kiiu alevik, Harjumaa
5. **System 2+** for the assessment and inspection of the stability of the building product performance
6. **The Notified Certification Body of the Tallinn University of Technology (Reg. No. 1504) performed the initial inspection of the factory and of the factory production control, and carries out constant supervision over the factory production control and assessment, as well as has on 29, November 2012 issued a production control Certificate No. 1504-CPD-093/08.**
7. Declared performance

Main properties		Performance	Harmonised technical descriptions
Grain shape, size and density	Grain size	0.6/2.0	EN 12620:2002+A1:2008
	Granulometric composition	$G_{F85}$	
	Fine particles	<i>cat. <math>f_3</math></i>	
	Bulk density	$1.48 \text{ Mg/m}^3$	
Ingredients/content	Humus content	Lighter than the etalon	
	Chloride content	$\leq 0.01\%$	
Hazardous agents	Radioactive radiation	$I < 1$	

8. The performance of the product identified in the sections 1 and 2 is in the conformity with the declared performance referenced in the section 7. The present declaration of performance has been issued on the sole responsibility of the manufacturer identified in the section 4.

Signed by and in the name of the manufacturer:
